

South Nassau Dermatology No-Show Policy

Please be advised that effective January 2009 we will be instituting a new policy regarding no-show/missed appointments. If you have a scheduled appointment and do not show up for this appointment or fail to call and cancel by 3:00pm the day prior to your appointment you will be charged a fee for the inconvenience it has caused the practice. Failing to inform the office in a timely manner that you will not be able to keep your scheduled appointment does not allow us to accommodate other patients. If you miss a scheduled appointment you will be subject to this \$25 charge. If you miss two scheduled appointments you will be charged \$50 and this will be your final warning. If you miss three appointments without cancelling you will be asked to seek treatment elsewhere.

If we are notified by the patient with a legitimate reason for the late cancellation or no-show we will take that into consideration.
