Microdermabrasion

Microdermabrasion is a safe painless way to leave your skin soft, smooth, and glowing. Acne, photoaged skin, and pigmentation abnormalities are effectively treated by this exciting technology. Patients notice a youthful glow and smooth surface contour after 1-2 treatments. Patients can return to work immediately.

As our spa services continue to grow, we will continue to bring you the most up to date information about our treatments. At South Nassau Dermatology, we care about the beauty and health of your skin in addition to your overall wellness. If you have questions or would like more information regarding our spa services, please call and schedule a free consultation with one of our NYS Licensed Aestheticians at:

Oceanside (516) 766-0345 extension 1019.
Levittown (516) 520-5280

We look forward to meeting you!

Skin Care and Spa Services

The science of medicine with the added benefits of professional skin care

South Nassau Dermatology Skin Care and Spa Services

South Nassau Dermatology

Skin Care and Spa Services

At South Nassau Dermatology, in our ongoing commitment to better serve our patients, we are very excited to introduce our new professional facial spa treatments. All skin conditions benefit from regular professional skincare. Deep cleansing and deep pore cleansing will enhance most medical treatment results. Sensitive skin and daily wear and tear may leave your skin dry, irritated, and lackluster. The natural aging process slows the efficient regeneration of skin cells. Customized facials are soothing, hydrating, and anti-aging. Your skin will benefit from the careful selection of products and ingredients along with a "results-oriented" at-home regimen incorporating the five basics--cleanse, exfoliate, treat, moisturize, and protect.

Facials are also fabulous for both relaxation and a sense of wellness. Through exceptional service and our goal of 100% patient satisfaction, we look forward to building a lasting relationship with our patients.

All facials include a skincare consultation by a New York State-Licensed Aesthetician, including an at-home "results oriented" skin care regimen recommendation.

Full Facial

Deep cleansing, steam, exfoliation, massage, mask.

55 minutes \$95.00

Deep Pore Cleansing Facial

Effectively removes oil and impurities from the skin and minimizes acne causing bacteria. Extractions are done.
